PROFESSIONAL SUMMARY

Talent Acquisition and HR professional with over nine years across full-cycle recruitment, high-volume candidate screening and hiring operations in Ireland and India. Screens 3,000+ profiles a month at 98% match accuracy, cut time-to-hire by five days at RelateCare, and lifted candidate experience scores by 20% by rebuilding how departments hand work between them. Strong on the operational side of hiring — ATS and CRM hygiene, GDPR-compliant candidate records, and the weekly reporting hiring managers plan headcount from. MSc in Business Management from South East Technological University (SETU).

CORE COMPETENCIES

- **Full-Cycle Recruitment:** hiring administration from requisition through offer, interview coordination, candidate progression tracking, and offer documentation.
- **High-Volume Screening:** CV screening and shortlisting at 3,000+ profiles per month while holding 98% match accuracy against role criteria.
- **Candidate Experience:** multi-channel candidate communication, pipeline follow-up, and removal of the handoff gaps where candidates typically go silent.
- **ATS & CRM Management:** system hygiene, accurate record maintenance, database management, and reporting that stakeholders can rely on.
- **Hiring Manager Reporting:** daily and weekly reporting packs, headcount and resourcing data, time-to-hire tracking, and audit logs and registers.
- **Compliance & Data Protection:** strict GDPR adherence on candidate data, confidential file management, and audit-ready documentation year-round.
- **Tools & Systems:** ATS and CRM platforms, advanced Microsoft Office (Excel, Outlook, Word), database management and administrative tracking software.

- **Build the weekly reporting pack used directly by 10+ managers** to plan headcount and allocate resources.
- **Cut time-to-hire by five days** by bringing cross-functional teams onto a leaner, better-sequenced screening process.
- Keep ATS and CRM records clean and current, **reducing average record search time by 15%**.
- Handle confidential candidate and patient-facing documentation under strict GDPR requirements.

Recruitment Support & Candidate Operations

May 2022 – Aug 2024

Jaunas Technology Pvt. Ltd. — Hyderabad, India

- **Screened 3,000+ candidate profiles a month at 98% match accuracy** while keeping every system record exact.
- **Raised candidate experience scores by 20%** by renegotiating workflow handoffs with department stakeholders.
- Delivered the daily data reports that **kept five teams' plans on track**, flagging gaps before they became delays.
- Organised all supporting documentation to stay **100% audit-ready year-round** rather than scrambling at review time.

HR & Recruitment Administration Support

Jul 2019 – Apr 2022

Justdial — Hyderabad, India

- **Held data accuracy at 99%** through continuous system audits and routine compliance checks.
- **Reviewed 500+ profiles weekly** as the team's go-to final check on data reliability.
- Streamlined documentation handoffs between teams, **cutting onboarding delays** at the point they usually stalled.
- Turned raw operational outcomes into clear written reports that **shaped manager decisions** on process and resourcing.

Sales & Marketing Executive

Mar 2016 – Aug 2019

Ghar Ware (Banjara’s Herbal Products) — Hyderabad, India

- Sold and supplied the Banjara’s herbal product range to retail customers and outlets across Hyderabad, **consistently meeting sales targets**.
- Managed stock levels, product supply and delivery scheduling so outlets stayed stocked and shortages stayed rare.
- Built the outreach and follow-through habits recruitment runs on — cold conversations, persistence, and reading what someone actually needs before pitching.
