PROFESSIONAL SUMMARY

Versatile Administration & Operations Professional with over nine years of experience across documentation control, administrative workflows, data compliance, stakeholder coordination, and sales. Combines a strong background in office operations, HR and recruitment support, and reporting — including roles at RelateCare Ireland, Jaunas Technology, Justdial, and Ghar Ware — with an MSc in Business Management from South East Technological University (SETU). Proven track record of maintaining strict record accuracy and audit readiness, coordinating multi-channel communications, handling stock and supply records, and collaborating with cross-functional teams to ensure smooth daily operations.

CORE COMPETENCIES & SKILLS

- **Site & Office Administration:** general office management, scheduling, visitor coordination, multi-channel communication, and cross-functional support.
- **Documentation & Compliance:** maintaining audit-ready records, strict GDPR adherence, data accuracy audits, and confidential file management.
- **Data & Reporting:** generating daily and weekly site operational reports, database management, tracking key facility metrics, and maintaining logs and registers.
- **Procurement & Logistics Support:** processing purchase orders, scheduling deliveries, tracking inventory and materials, and managing site correspondence.
- **Tools & Systems:** advanced proficiency in Microsoft Office Suite (Excel, Outlook, Word), COINS (system familiarity), database management, and administrative tracking software.

PROFESSIONAL EXPERIENCE

Patient Service Representative

Jan 2025 – Present

RelateCare — Tramore, Co. Waterford, Ireland

- Manage full-cycle hiring administration for 200+ applicants with zero compliance flags across every audit.
- Build the weekly reports used directly by 10+ managers to plan headcount and resource allocation.
- Cut time-to-hire by five days by rallying cross-functional teams around a leaner screening process.
- Keep ATS and CRM records clean and current, reducing average record search time by 15%.

Recruitment Support & Candidate Operations

May 2022 – Aug 2024

Jaunas Technology Pvt. Ltd. — Hyderabad, India

- Screened 3,000+ candidate profiles monthly at 98% match accuracy while maintaining accurate system records.
- Raised candidate experience scores by 20% by negotiating workflow changes with department stakeholders.
- Delivered daily data reports that kept five teams' plans on track, and organised all documentation to stay 100% audit-ready year-round.

HR & Recruitment Administration Support

Jul 2019 – Apr 2022

Justdial — Hyderabad, India

- Held data accuracy at 99% through continuous system audits and routine compliance checks.
- Reviewed 500+ profiles weekly as the team's go-to check for data reliability.
- Streamlined documentation handoffs, cutting onboarding delays, and turned outcomes into clear reports that shaped managers' decisions.

Sales & Marketing Executive

Mar 2016 – Aug 2019

Ghar Ware (Banjara's Herbal Products) — Hyderabad, India

- Sold and supplied the Banjara's herbal product range to retail customers and outlets across Hyderabad, consistently meeting sales targets.
- Managed stock levels, product supply, and delivery scheduling to keep outlets consistently stocked and avoid shortages.
- Delivered marketing and promotional activities that grew product awareness, customer base, and repeat sales.

EDUCATION & QUALIFICATIONS

MSc Business Management

Jan 2024 – Jan 2025

South East Technological University (SETU), Waterford, Ireland

Bachelor of Business Management

Jan 2019 – Jan 2022

Osmania University, Hyderabad, India

Compliance & Legal: trained in data privacy, strict confidentiality handling, and administrative governance.

PERSONAL ATTRIBUTES

- Highly organised, detail-oriented, and capable of prioritising tasks under pressure in a fast-paced environment.
- Strong interpersonal and communication skills with a proven knack for stakeholder, supplier, and visitor management.
- Reliable, punctual, proactive, and adaptable to dynamic site administration requirements.
